

DMAP Disclosure Statements Must Be Submitted by February 7

The Delaware Medical Assistance Program (DMAP) is requiring all medical professionals to submit a Provider Disclosure Statement, which must be completed on the DMAP website. The disclosure form is now available. All physicians must complete the form **before Monday, February 7, 2011** to avoid disruption of services.

Physicians must complete the form at the secure DMAP website <https://www.dmap.state.de.us/secure/logon.do>. Physicians may direct questions to Provider Relations at 800-999-3371. Listen for the options and select **option 0, then option 2.**

We also attached the form to this email as PDF file. If you have any questions please contact Angie Arters via email aarters@umusa.net
