

United Medical, LLC is pleased to present a credit card processing option for our clients!

The merchant account is with **PNC Bank**, a nationally recognized leader in the financial industry.

- The system allows for multiple log in/s - at the practice location as well as at the billing office.
- An excellent reporting system is available to track each transaction - clear delineation of who and when every transaction was entered.
- Wedge swiping technology is available and can be added at the front desk in place of a terminal - freeing up a phone line or eliminating a phone line.
- Minimal paperwork!

FD Global Gateway's one-time cost of \$195.00 will be off-set by a rebate of \$150. There is a \$15 monthly fee per user.

The practice does not have to switch to PNC Bank - However, PNC Bank is offering a \$250.00 rebate to anyone opening a brand new PNC Bank business checking account. Guaranteed next day funding into all PNC Bank accounts.
