

*"A solution for the Medical Industry"*

Electronic Medical Records | Medical Billing | Practice Management | Physician Recruitment | Credentialing

January 23, 2015

## **Alert! Potential Fraudulent Activity**

Dear United Medical Network:

An individual posing as a United HealthCare representative recently contacted one of United Medical Network's clients. Their questions were aimed at obtaining personal/private physician information.

Please alert your staff. Information should never be given over the telephone. Please council your staff to request written request prior to releasing any personal/private physician or patient information.

For further questions regarding this, feel free to reach out to United Medical's Nicola Hartland at 302-266-9166 ext 664.

### About United Medical, LLC

Founded in November 2005 by Kemal Erkan, United Medical is a turnkey solution for the medical industry. Our mission is to raise the standards expected by today's physicians and practice groups; striving to increase the profitability for their practice while supplying state of the art technology for flawless patient care.
