Medical License Renewals Due March 31st

Mandatory Training Must Be Completed Each Licensing Period

Current medical licenses in Delaware are set to expire as of March 31, 2015. All physicians licensed to practice medicine and surgery by the Delaware Board of Medical Licensure and Discipline are required to meet the following education requirements prior to renewing a medical license:

- **A minimum of 40 credits** of Category 1 AMA (American Medical Association) or AOA (American Osteopathic Association) continuing medical education obtained between April 1, 2013 and March 31, 2015.

Completion of mandatory training on the recognition of child sexual and physical abuse, exploitation, and domestic violence, and the reporting obligations under the Medical Practice Act (regarding the duty to report unprofessional conduct and the inability to practice medicine with safety). This mandatory training must be completed each licensing period and is now available online. MSD has approved the mandatory child abuse training for **AMA PRA Category 1 Credit™**.
