Dear Valued Clients,

We are pleased to invite you to our Inaugural Run/Walk for Health – Benefiting the YWCA Delaware. This event will be held on **August 29th, 2015 at the Wilmington Riverfront – Dravo Plaza – 815 Justison Street – Wilmington, DE 19801.**

Our goal for hosting this event, is to help the YWCA Delaware educate the community about their mission of **'Eliminating Racism, Empowering Women'**. United Medical is proud to lend a hand in celebrating the many milestones the YWCA has had for their clients. Please help us by joining United Medical in our 'Inaugural Run/Walk for Health' by bringing this goal to fruition.

We encourage sponsors to set up tables on site to provide Blood Pressure Checks, BMI Screenings, Healthy Heart Awareness information and much more in addition to meeting with potential new patients! We hope to welcome you as a sponsor that will share in our commitment to advancing both social and economic opportunities for women and families in Delaware by donating proceeds to the YWCA Delaware.

Last year more than 75% of YWCA clients directly benefited from the funds raised. In 2014, proceeds from prior donations, helped the YCWA to achieve the following significant outcomes:

- 98% of their homeless clients exited to stable, independent housing (exceeding the 30-60% average industry success rate for Delaware homeless shelters, cited by the Homeless Planning Council).
- 91% of their foreclosure clients have had a positive resolution (exceeding the 25% average industry success rate of similar agencies, cited by the Delaware State Housing Authority).
- 100% of low-income girls graduated from high school in the YWCA Girl's Program (exceeding the 70% of low-income graduates from Delaware high schools in general). 69% completed the higher education and career goals they set to accomplish by graduation.

We would be thrilled if you could sponsor this event! Any donation will be greatly appreciated and remember 100% of the proceeds go directly to YWCA Delaware. There are many different levels of sponsorship and there are also significant branding and recognition opportunities, which are all detailed on the Races2Run website (www.races2run.com), as seen below, and also attached for your convenience. Early bird sponsors who confirm by July 15th will receive prominent placement on our banners and T-shirts to be worn the day of the event.

Thank you in advance for your time! For further questions, please feel free to contact Nikki LaShomb at NLashomb@umsua.net or 302-451-5608. We look forward to seeing many familiar faces on race day!

Kindest Regards,
Kemal Erkan, CEO of United Medical, LLC
